

2024 Bass River Rod and Gun Club Youth Shotgun Program

Bass River Rod and Gun Club is pleased to be able to offer to Cape Cod residents a new Youth Shotgun Program built around the Scholastics Clay Targets Program (SCTP). The program will be supported by an all-volunteer group of instructors and volunteers with the generous support of BRRGC. The aim of our program is to safely introduce boys and girls, grades 5 thru 12, to clay target sports, specifically Trap, Skeet and 5-Stand. The program will start April 20, 2024, with Registration and the first day of Safety Training. We will end at the end of August. Follow the QR Code below or visit our website at bassriverrodandgun.com and click the Youth Shotgun link.
